

K-LOVE radio is a soul-source for my life. It inspires me to live a life filled with love for other people. The music is life-breatheing inspiration and I just pray that it continues to be provided to meet our daily needs. NOT ONLY do I benefit, I know countless others, in my community, and nationally, who are faithful listeners to this radio station. KEEPING K-LOVE on the aid is in the public interest as it provides positive and encouraging music, including promoting strong family values and morals, that help any culture to thrive. THANK YOU for giving me the chance to express my deeply held convictions is support of this station remaining on the air.
